Mr. Dhaval K. Raval

PROJECT PROFILE

Project Name	Blood Bank Management System
Objective	The system provides online information of blood bank and administrators can also access all information about blood bank, donor, patient request and blood requirements.
Platform	Web application
Front End	ASP . NET 4.0 with c#
Back End	Microsoft SQL Server 2008
Other Tools	MS Office 2007, Visual Studio
Project Duration	50 days
Internal Guide	Mr. Dhaval K. Raval
Submitted To	Department of computer science, Ganpat University
Develop By	Rinku S. Patel Poonam K. Patel

EXISTING SYSTEM

- Existing system is window Application.
- So much time consuming this application also one machine and one by one record stored.
- Single Blood bank information also no inquiry for directly Blood bank.

NEED FOR NEW SYSTEM

- User view all Blood bank information is location wise.
- Donor easily donate the blood near Blood bank Location.
- Patient easily request for blood near Blood bank location
- In this system also supported inquiry form for user.

FUNCTION SPECIFICATION

1.Admin

2.Blood bank

3.Donor

4.Patient

ADMIN:-

- Manage Registration for user
- Manage Blood bank information like (update, delete)
- Manage Donor Request for Donor
- Manage patient Request for needy people
- Manage Inquiry form for Appropriate Reply
- Manage feedback for Appropriate Reply

BLOOD BANK:-

- Blood bank information view/update
- View Donor information
- Manage Patient Blood Request.

DONOR:-

- Manage Donor information(profile)
- Add new Donation for Blood

PATIENT:-

- Manage patient information(profile)
- Give the Request for patient for blood

HARDWARE & SOFTWARE SPECIFICATION

➤ **Hardware Specification :**

▪ **Server Side:**

Processor	3.6 GHz
RAM	2 GB
Hard Disk	80 GB

▪ **Client Side:**

Processor	2.40 GHz
RAM	1 GB
Hard Disk	20 GB

➤ **Software Specification :**

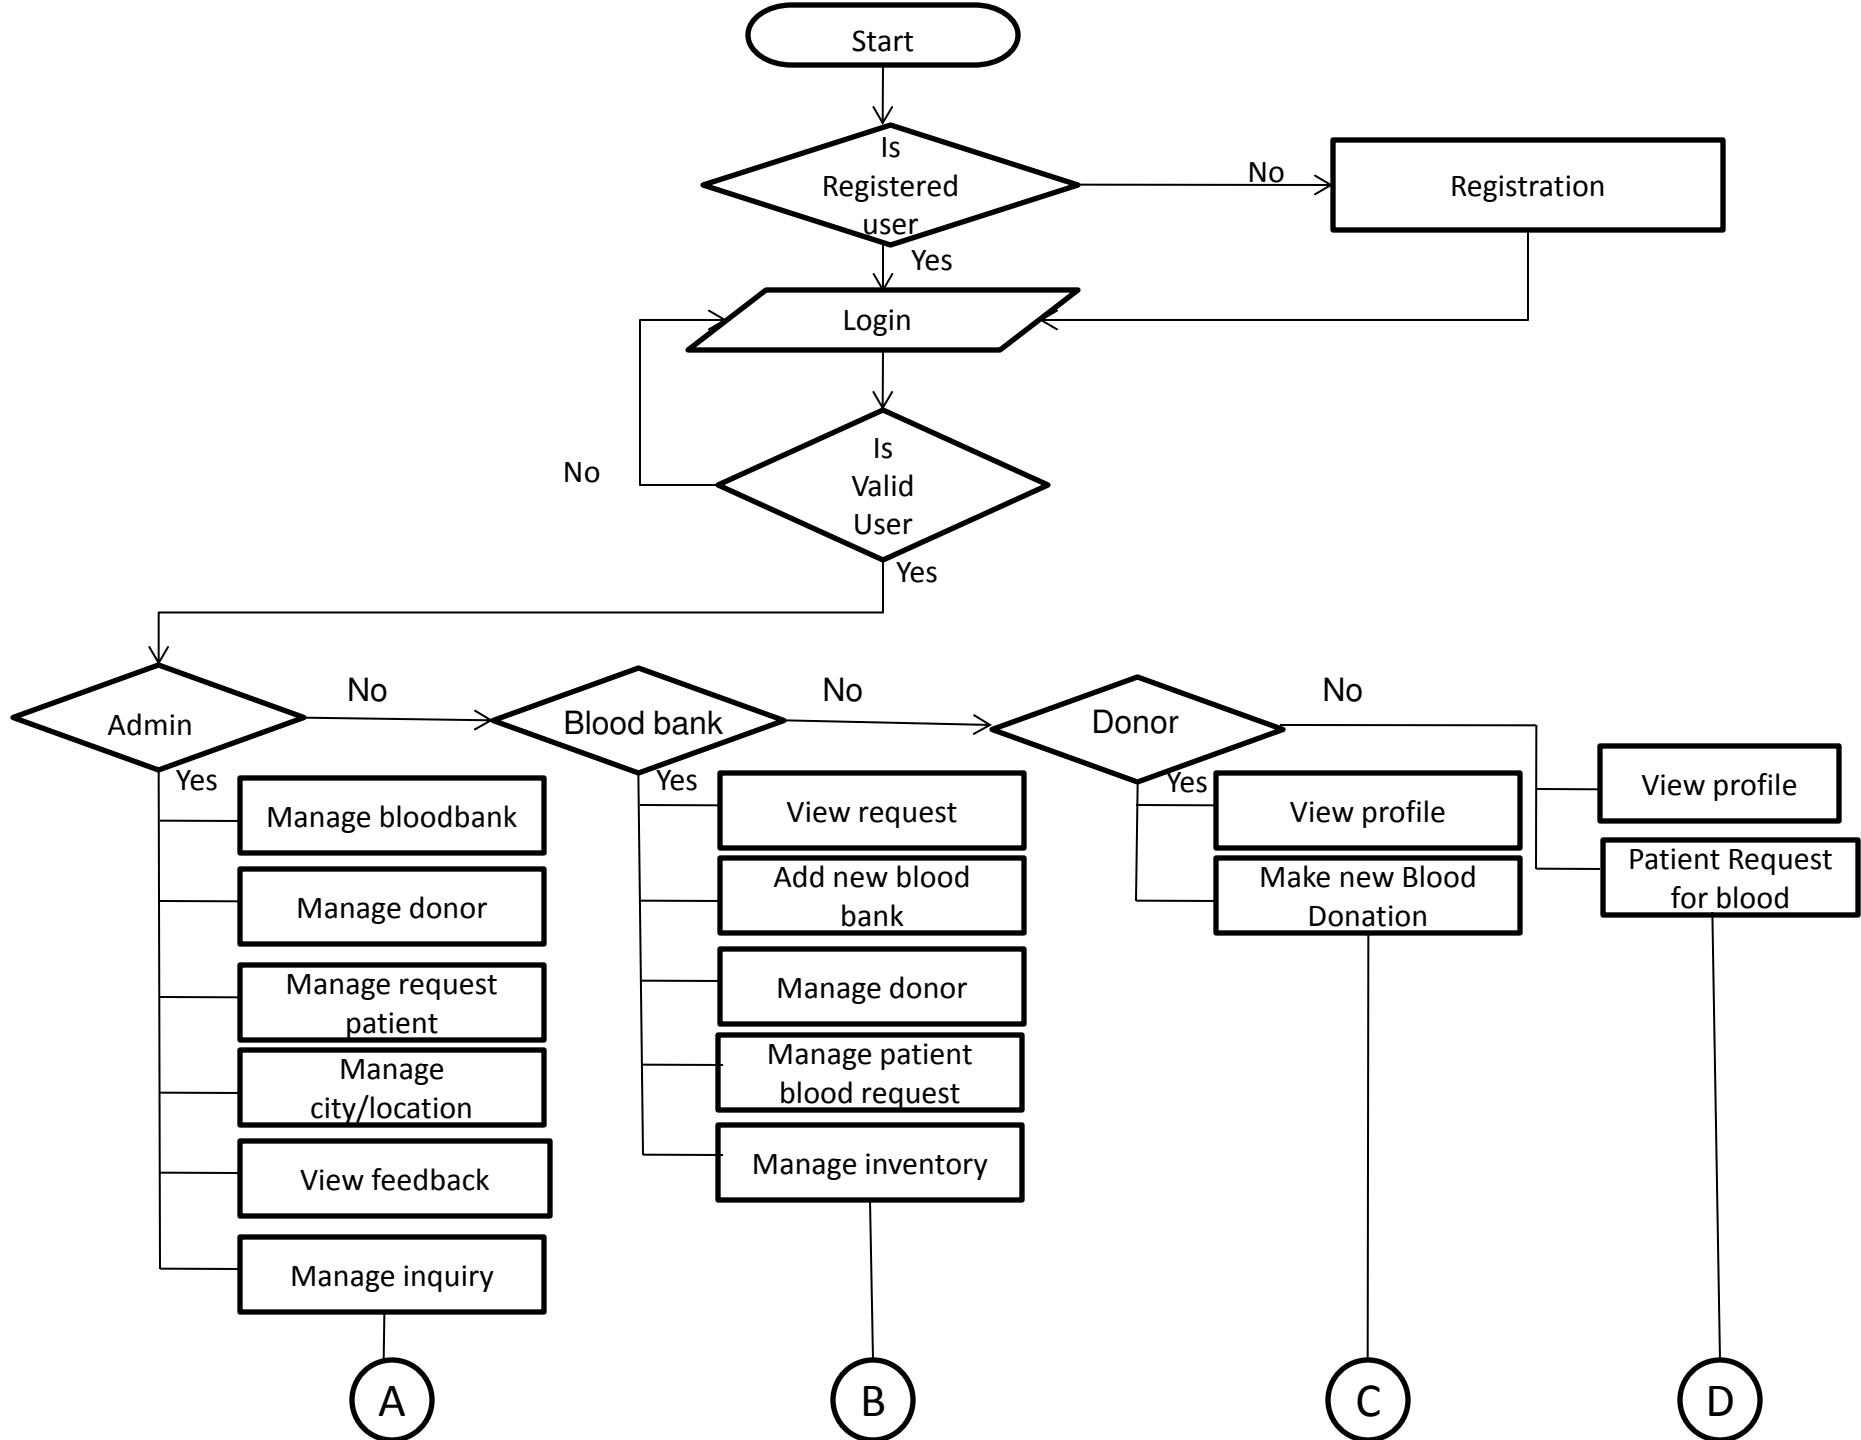

- **Server Side**

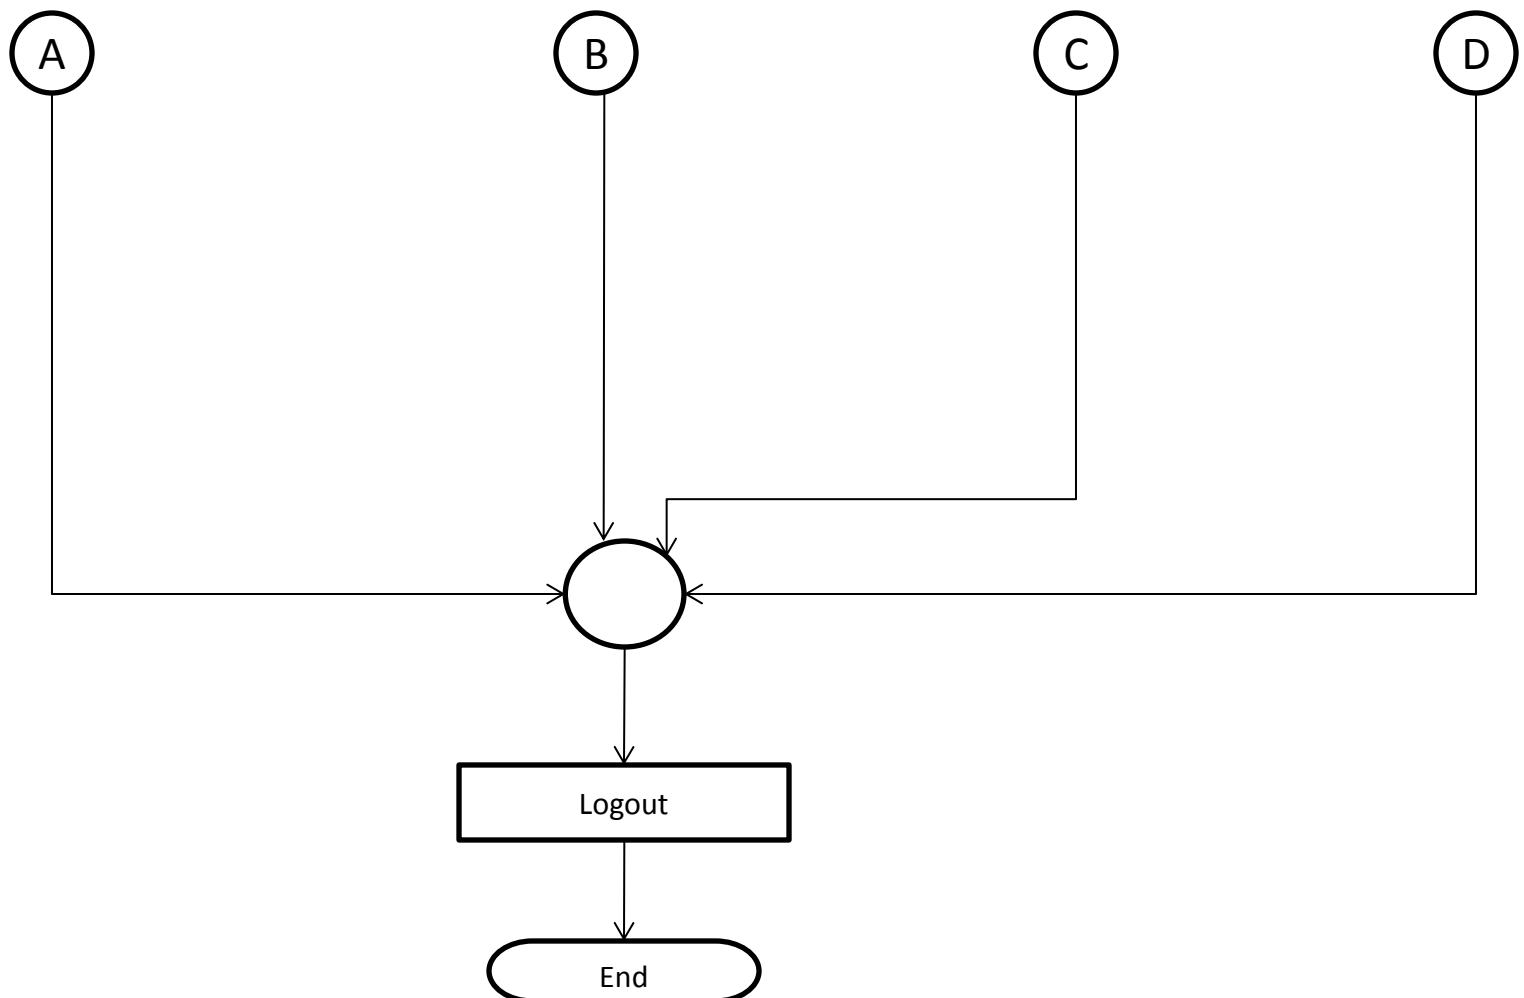

Operating System	Window Server 2008
Runtime Environment	.Net Framework 4.0
Web Server	IIS 7.0
Front End	Microsoft Asp.Net 2010 with c#
Back End	SQL server 2008

- **Client Side**

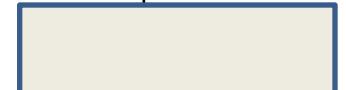

Operating System	Windows XP or any compatible OS
Web Browser	Internet Explorer 6.0 or any compatible web browser.

INPUT DESIGN

Home Page:

Description: This page for show home page information

The screenshot shows a web browser window titled "Untitled Page" displaying the "localhost:52170/Default.aspx" page. The page features a large red cross logo on the left and the text "RED CROSS BLOOD BANK" in white. Below this, a red banner contains the slogan "blood on demand". A navigation bar at the top includes links for "Home", "SignUp", "SignIn", "About Us", "Contact Us", "Inquiry", and "Feedback". The main content area has a light gray background with diagonal stripes. It includes a "Welcome Our Website..." message, a "GIVE BLOOD GIVE LIFE" graphic with a red heart and blood drop, and two photographs: one showing a person's arm with a blood donation bag and another showing a medical professional drawing blood from a patient's arm.

Home SignUp SignIn **About Us** Contact Us Inquiry Feedback

GIVE BLOOD
GIVE LIFE

Blood Donor Recruitment:-->

Many techniques of blood donor recruitment have been advocated. The best methods are understandably based on personal contact between motivator and prospective donor or at least contacts between motivator and group. Person to person contact may be difficult. But person to group contact is pragmatic.

The transfusion service must get steady flow of blood to keep their shelves full all the year round. Some group or other should organise blood collection drive throughout the year.

Mission:-->

Implement basic transfusion medicine practice to all patients with highest safety, standards and therapeutic benefit.

Vision:-->

Right blood component for right patient at right time in right doses

Screenshot of a web browser showing the "RED CROSS BLOOD BANK" feedback page.

The page title is "Untitled Page". The URL is "localhost:52170/Feedback.aspx". The browser toolbar includes Avira SafeSearch and other standard icons.

The header features a red cross logo and the text "RED CROSS BLOOD BANK" in white, followed by "blood on demand" in a smaller font.

The navigation menu includes links for Home, SignUp, SignIn, About Us, Contact Us, Inquiry, and Feedback.

The main content area contains a "Feedback Form" section with fields for Name, Email, and Feedback, each marked with a required asterisk (*). A "Send" button is located below the form.

Validation messages at the bottom of the form state:

- Pls Enter Name
- Pls Enter Email ID
- Pls Enter Feedback

On the left side, there is a graphic with the text "GIVE BLOOD GIVE LIFE" and a small image of a blood donation arm. On the right side, there are two images: one showing two red blood drops and another showing a close-up of a blood draw.

Feedback Form

Name
Email
Feedback

This screenshot shows a web browser window displaying a feedback form for the Red Cross Blood Bank. The title bar reads "Untitled Page" and the address bar shows "localhost:52170/Feedback.aspx". The main header features a red cross logo and the text "RED CROSS BLOOD BANK" and "blood on demand". Below the header is a navigation menu with links: Home, SignUp, Signin, About Us, Contact Us, Inquiry, and Feedback. To the left of the form is a graphic with the text "GIVE BLOOD" and "GIVE LIFE". The feedback form itself has fields for Name (filled with "rinku"), Email (filled with "rinku@gmail.com"), and Feedback (containing the text "Good Website For Bloodbank"). A "Send" button is located at the bottom of the form. To the right of the form are two images: one showing two red blood drops and another showing a person's arm during a blood donation process.

Validation Page:

Description: Validation for feedback form

The screenshot shows a web browser window titled "Untitled Page" displaying a website for the "RED CROSS BLOOD BANK". The main header features a red cross logo and the text "RED CROSS BLOOD BANK" and "blood on demand". Below the header is a navigation bar with links for "Home", "SignUp", "SignIn", "About Us", "Contact Us", "Inquiry", and "Feedback". A large banner on the left side encourages blood donation with the text "GIVE BLOOD GIVE LIFE". On the right side, there are two images: one of two red blood drops and another showing a person's arm being prepared for a blood draw.

A modal dialog box is centered on the page, displaying validation errors:

- Pls Enter Name
- Pls Enter Email ID
- Pls Enter Feedback

Below the dialog box is a button labeled "OK". At the bottom of the page, there is a footer message with the same validation errors:

- Pls Enter Name
- Pls Enter Email ID
- Pls Enter Feedback

The browser interface includes standard controls like back, forward, search, and refresh, along with the Avira SafeSearch toolbar.

Admin Side Page:

Description: This page for admin login

The screenshot shows a web browser window titled "Untitled Page" displaying the "RED CROSS BLOOD BANK" website at "localhost:52170/SignIn.aspx". The page features a large red cross logo and the text "RED CROSS BLOOD BANK" and "blood on demand". A navigation bar includes links for Home, SignUp, Signin, About Us, Contact Us, Inquiry, and Feedback. The main content area contains a "Log in" form with fields for Username (containing "admin") and Password (containing "*****"), a "Log in" button, and a "Forgot your password??" link. To the left of the login form is a graphic with the text "GIVE BLOOD GIVE LIFE". Below the login form are two smaller images: one showing a person's arm with a blood donation bag and another showing a close-up of a needle inserted into skin. To the right of the login form is a graphic of two red blood drops. The browser interface includes standard toolbar icons and a vertical scroll bar on the right side.

Description: This page use for admin home

The screenshot shows a web browser window titled "Blood Bank Portal". The address bar displays "localhost:52170/Admin/AdminHome.aspx". The page header features the "Blood Bank Portal" logo in red and the text "Please Donate Blood". On the right side of the header, there is a user session message "UserName:admin" followed by links for "Home Page" and "Logout". Below the header, the main content area has two sections: "Main Menu" on the left and "Welcome Admin" on the right. The "Main Menu" section contains a vertical list of navigation items:

Manage Blood Request:

Description: This page show blood request for patient confirmation page(patient request delete)

The screenshot shows a web application titled "Blood Bank Portal" running on a local host at port 52170. The main menu on the left includes options like HOME, MANAGE USER, MANAGE USERTYPE, MANAGE PLACE, MANAGE BLOODBANK, MANAGE BLOODREQUEST, MANAGE BLOODDONATION, MANAGE FEEDBACK, and MANAGE INQUIRY. The title bar indicates the user is logged in as "UserName:admin". A modal dialog box in the center asks "Are you sure?" with "OK" and "Cancel" buttons. In the background, there is a table with columns: Location, BloodGroup, Qty, Status, Date, and Operation. One row in the table shows "RadhanPur Road", "A+Ve", "10", "True", "11/01/2014", and icons for edit and delete.

Blood Bank side Page:

Description: This page use for blood bank login

The screenshot shows a web browser window titled "Untitled Page" displaying a login page for the "RED CROSS BLOOD BANK". The URL in the address bar is "localhost:52170/SignIn.aspx". The page features a large red cross logo on the left and the text "RED CROSS BLOOD BANK" and "blood on demand" in the center. A navigation menu at the top includes links for Home, SignUp, SignIn, About Us, Contact Us, Inquiry, and Feedback. On the left, there is a graphic with the text "GIVE BLOOD" and "GIVE LIFE". On the right, there are two images: one of two red blood drops and another showing a person's arm being prepared for a blood draw. The central area contains a "Log in" form with fields for Username (containing "vishal") and Password (containing "*****"), a "Log in" button, and a "Forgot your password???" link.

Description: This page show blood bank home information

The screenshot shows a web browser window titled "Blood Bank Portal". The address bar displays "localhost:52170/Bloodbank/Default.aspx". The main content area features a red header with the text "Blood Bank Portal" and "Please Donate Blood". On the right side of the header, there is a user session indicator showing "UserName:vishal", "Home Page", and "Logout". Below the header, the page is divided into sections: "Main Menu" on the left and "Welcome Blood Bank" on the right. The "Main Menu" contains the following items in a vertical list:

- HOME
- PROFILE ▶
- BLOODBANK STOCK ▶
- MAKE NEW BLOODBANK ▶
- MANAGE DONOR ▶
- MANAGE BLOODREQUEST ▶

At the bottom of the page, there is a black footer bar with three links: "Image Gallery", "Services Overview", and "Contact Us".
